VOL. 13 NO. 35 WEDNESDAY, AUGUST 30, 1972. 15¢ 10¢ BY CARRIER

St. Albert Planner John Woodroffe Resigns from ERPC

After 10 years with the Edmonton Regional Planning Commission, Senior Planner Mr. John Woodroffe, who was the planner for the Town of St. Albert, as part of his duties, resigned on August 16th.

Originally from Australia where he took his university degree in urban planning, Mr. Woodroffe served with the Manitoba government prior to joining the ERPC.

With his wife Veronica and three children, Mr. Woodroffe plans to take a year to do some travelling and review what is being done in his field in other countries. "A sort of unpaid sabbatical" he commented.

After that his plans are indefinite, but he will "definitely" return to Canada, possibly to the B.C. coast, and continue working in the planning field.

Mr. R. N. Giffen, executive director of the ERPC said Tuesday that the Commission has begun steps to advertise across Canada through the Town Planning Institute for a replacement for Mr. Woodroffe. "I would say without question that Mr. Woodroffe is an excellent planner, and his record with the Commission is without blemish," said Mr. Giffen. "His resignation was tendered for his own reasons."

Until ERPC is able to hire an urban design planner, other staff members will be working with St. Albert on a temporary basis After the new planner is hired either he, or another staff planner will be assigned to handle the St. Albert work.

Here comes "Bertha," the scourge of the rape field, down the stalk. Close up photo by Vic Post.

Sprayers Wage War On Bertha Army Worms

Last Wednesday, in the Municipal District of Sturgeon, a war was going on and this battle could be called "The Bertha Army Worm Offensive."

Assistant Agricultural Service Board fieldman, Sid Kuhn, in the absence of fieldman Don England who is away on holiday, directed the aerial field spray operation against the ravaging worm-infested rape crops like the squadron leader of the Dawn Patrol.

Armed with maps of the MD, Sid gave instructions to Walker Flying Service pilots as to which field to attack next. While briefing conferences were being held, a service crew checked over the Cessna 300 and Call-Air B1A spraying aircraft and loading their tanks with Lannate solution which spells death to the Bertha Army Worm.

Owner of the Walker Flying Service Ltd. of Edmonton and pilot of the Cessna 300 was first to take off on his mission. His objective was a rape field located about two miles east of Morinville. He taxied on to the narrow road, headed into the wind and took off. Moments later, G. A. Walker, chomping on an unlit pipe swept across the rape field, a few feet off the ground spraying as he flew along at about 100 miles per hour.

Next to take to the air was J. T. Rogers of Texas, also a professional air-spray pilot. His mission took him three miles west of Morinville where he had two quarter sections to spray. Flying right off the deck at about 100 miles per hour, these guys were laying out a deadly and accurate pattern of Lannate which assistant field man Sid Kuhn called, "an excellent kill."

A third member of the air-spraying squadron, Doc Keith, who also flies a Walker-owned aircraft, a Cessna 300, was at the time spraying in the Westlock Municipal District, where the rape crops are heavily infested with the Bertha pest. According to Lawrence Langille, assistant fieldman for the Municipal District of Westlock, crops in his area, especially rape are badly infested and in desperate need of Lannate spraying.

"We have one aircraft

4,700 School Students Register For 1972-73

Over 2,000 school students registered Monday for another term at the St. Albert Public School District No. 3 while at the St. Albert Separate School District No. 6, a total of 2,700 students enrolled for the coming term of 1972-73.

At press time, school enrollment figures were still incomplete, however it was evident that both school systems in St. Albert would see increases this year.

Mr. V. Maloney, superintendent of the four-schools in the No. 3 district attributed the increase in enrollment to the natural growth of St. Albert. He did reveal, however, that a trend was developing which indicates quite a marked increase in the elementary grades while the junior and senior high grades showed only a slight increase.

"I guess St. Albert families are growing," Mr. Maloney said, "contrary to the predicted birth decrease trends, experts want us to believe."

Meanwhile, Mr. E. S. Gish superintendent of the five-schools in the No. 6 district revealed that enrollment so far stands at a total of 2,700 students.

"We have anticipated an enrollment this year of 2,800," Mr. Gish said, "and according to present indications, we'll reach that figure and surpass it before mid-September.

Both school superintendents revealed that teaching staff had already been added to meet the enrollment increases. District No. 6 last year had a staff of 132 and so far one teacher has been added to the staff for the coming term. Mr. Gish explained, however, that that is his total staff, including administrative personnel. At No. 3 School District Mr. Maloney said his teaching staff had been increased this year by five teachers, from 89 teachers last year to the present staff of 94. He points out, however that figure does not include anyone but teaching staff.

CRTC To Hear Cable TV Applications

Information was released this week from the Canadian Radio-Television Commission, being the public authority which regulates and supervises the Canadian Broadcasting System, that public hearings will be held at the Chateau Lacombe, Edmonton on Tuesday, October 3. The hearings will start at 9:30 a.m. to hear applications for broadcasting licenses.

Among the applications to be heard will be one by Capital Cable TV Ltd., 7024-101 Ave., Edmonton to carry a cable television system to serve St. Albert, the Castle Downs area of Edmonton and CFB Griesbach, Edmonton. Another applicant is T and R Systems Ltd. 871 Alder Ave. Sherwood Park, Alberta for a broadcasting license to carry a cable television system to serve the Sturgeon Valley area which includes St. Albert, Castle Downs, CFB Griesbach and CFB Namao.

The complete application as submitted by both firms can be seen by anyone at the above addresses during normal business hours. Members of the public may attend the public hearing.

Kambouroff Sells Accounting Firm

RENE KAMBOUROFF

R. Kambouroff and Co., public accountants and auditors here in St. Albert since 1961, announced this week the sale of the accounting business and the new owner will take over September 1, 1972. Mark Wheeler, chartered accountant, employed in Edmonton, has purchased the 11 year old Kambouroff firm which includes the take over of all Kambouroff accounts in St. Albert and surrounding area, reaching as far as Edmonton, Whitecourt and Swan Hills.

Mr. Wheeler will continue to occupy the Kambouroff premises on 16 Perron St., and retaining the staff of three, namely Mrs. E. Wright, Paula Kilfoil and Jean Varner.

"Nothing will be changed," said Mr. Kambouroff, "excepting the name and the new owner."

Mr. Kambouroff started his accounting business in his home at 33 Gordon Cres. in 1961. From this beginning, Mr. Kambouroff's business was moved into the quarters presently occupied by The Gazette. From this location 'Kam' moved into the Gateway Electric Building, then to the Apex Building where his firm remained until September 1971 when he moved into his present location.

After almost 12 years, Kambouroff & Co., blossomed from a one-man home operation into a full-fledged professional enterprise serving about 400 accounts and employing a full-time staff of four people.

Mr. Kambouroff, moved to St. Albert 12 years ago during which time he served in many clubs, organizations and fraternities, all the while holding an equally wide range of positions. These include: 12 years in the Lions Club and one year as director; 12 years in the Chamber of Commerce, one year as president and one year as secretary, during the many years Kam has been a member of the Legion he served four years as treasurer. Kam resigned as president of the Chamber of Commerce when he was first elected to town council. In 1971 Kam was re-elected for a second term on council, a position he is still holding. During all this time, Mr. Kambouroff has also been an active member of the Knights of Columbus. He joined this fraternal club while living in Edmonton and in 1961 transferred from the Holy Family council to the St. Albert Council.

Mr. and Mrs. Kambouroff and family of four children have no plans for the future, however they do not want to leave St. Albert. For the time being, Kam wants to settle all his affairs then take an extended holiday. Upon returning, Kam will look into a line of endeavor which will be less demanding.

Mr. Kambouroff's doctor has been urging him to slow down and now Kam proposes to do just that.

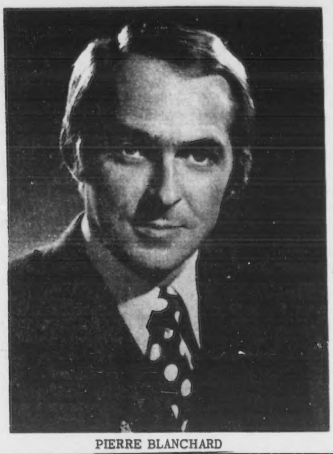
Highlight of the Breakfast Lions Ladies' Appreciation Barbecue, held last Sunday at the Dr. W. Cut's residence was the presentation of the President's Award to Mrs. Joyce Meurin. Lion president Stan Shottland made the presentation on behalf of the Lions, in recognition for Mrs. Meurin's devotion to our senior citizens. Lion stalwarts, Chuck Meurin, Dr. Cuts and immediate-past president John Kaminski look on approvingly.

Kinsmen seek National ban on fireworks

The Association of Kinsmen Clubs holding their annual convention in Calgary this month, notably passed a resolution instructing the National Executive to seek, by whatever means they consider necessary, a complete ban on the sale of fireworks in Canada, with the exception of those used for licensed public displays.

The convention was attended by some 2,300 Kinsmen, Kinettes and Kin wives from across Canada. Representing the St. Albert club were 33 kin, which included the club's president Bob Myrthue and his wife Alda, and the District Governor, Bill Hite and his wife Nomy. Others attending were: Barry and Elaine Welsh, Irv and Barb Young, Rusty and Doreen Pollard, Dave and Linda Stewart, Elroy and Gloria Haight, John and Maureen Grave, Ben and Arlene Lemieux, Rene and Vera Parenteau, Erling and Sharon Winquist, Ron and Coral Levang, Bob and Beryl Shoults, Dennis Jackson, Dennis and Peggy McConnell, Bruce and Betty Daley and George Wilkie.

Pierre Blanchard, 37, of Montreal was elected 52nd National President of the Association, succeeding Bill Watson of Fonthill, Ontario.



PIERRE BLANCHARD

Sprayers Wage

Continued from page 1

working in our MD now," he said, "and I'm waiting for these two aircraft to move into Westlock soon as they're finished here."

Mr. Kuhn, assistant field man for the MD of Sturgeon said, "the two fields we're presently spraying are the last ones we have on the list . . . for now." He added that perhaps in a few days, other local farmers will decide to spray, at which time the airmen will be recalled.

Presently, spraying costs come to about $4 per acre. Mr. Kuhn was unable to say whether the farmer will be given financial help towards spraying expenses. He did say however that last year farmers were given a $1 per acre grant but no policy has yet been announced for the current crop season.

The type of aircraft used by Walker Flying Services Ltd., a registered and bonded firm, carries a load of about 180 gallons of Lannate spray, enough for 180 acres. Each aircraft can spray between 1,400 and 1,600 acres during a good day. It all means that three aircraft, with crack pilots can cover a lot of territory in one day.

Of the three flyers presently winning the war on Bertha Army Worms in the Sturgeon-Westlock municipal districts, only the owner of the three aircraft G. A. Walker remains in Alberta during the off-season. "I do as little as I can during the off-season," said Mr. Walker. He did, however, admit that he does take charter flights when the urge moves him.

The Texan, when asked what he does during the off-season, he took out the unlit cigar stub from his mouth and drawled, "I go back home to Texas where it's time to do aerial fertilizer spraying."

Doc Keith, who was not present for comment, The Gazette was informed that he went back to his native Abbottsford, B.C.

Sid Kuhn said that so far this year, about 10,000 acres have been sprayed in the MD of Sturgeon and he expects more farmers will come forward before the air-spraying team moves on. "We've sure got a good crop of rape in this area," Mr. Kuhn said, "some farmers will harvest about 25 bushels to the acre," he predicted. He also added, that the Bertha pest has to be killed first if the crops are to be saved.

Town of St. Albert

PUBLIC NOTICE

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 35/72 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing a Public Works Building and Dog Pound within its municipal limits.

The estimated total cost of the aforesaid project amounts to $99,000.00. After deducting from this cost the amount of $Nil, to be received by way of grants, contributions, revenue funds, donations, etc. the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is $99,000.00. The debentures are to be repayable to the bearer in ten (10) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than nine and one-half per centum (9 1/2) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

(i) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and

(ii) a person who is liable on or after January 1st, 1972 for the payment of a mobile unit licence.

Five percent (5%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he had witnessed are qualified to vote at a general election.
3. There shall be set out opposite each signature on the petition --
   (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
   (b) the postal address of the petitioner,
   (c) the occupation of the petitioner.
4. A corporation or a religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization or an estate.
5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
7. No name shall be removed from the petition after it has been received by the municipal secretary.
8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.
9. The date of the last publication of this Notice is September 6th, 1972.

Joanne Smith, Liane Lynch, Kereen Martin and Katherine Hawken are all regular students of the St. Albert School of Dancing. They're shown above going through one of their routines in anticipation of the coming term.

Local Dancing School Poised For Big Year

A healthy body, poise and self-control are the very least our students will gain from the dance training which we offer, say Alma Hughes and Gladys Smith of the St. Albert School of Dancing.

One only had to see our recital in June to realize the enjoyment and excitement among the children who performed!

Alma Hughes and Gladys Smith principals of St. Albert School of Dancing have been spending part of their summer attending dance workshops, in order to bring to their students the latest styles in jazz, tap and modern dance, also keeping up to date in the exacting technique of classical ballet.

A workshop in Ontario with Dennis Moore, Brian Scott, and Joyce Schletze proved extremely worthwhile, and the dance session 72 at U of A with Liz Williams of New York was both exciting and fruitful. In September Mrs. Smith and Mrs. Hughes will attend three more workshops in tap, jazz and also National.

Kim Martin who has been trained by Mrs. Smith and Mrs. Hughes, and who also did a tremendous job with her students last year, will be teaching again this season.

AROUND TOWN

The Gazette began operating in its temporary quarters in the Carmar Building on Muir Drive on Monday, but not for the reason that the RCMP officers next door wanted to keep the staff under closer observation, as has been frequently suggested by people dropping in. Corporal Stan Fookes did remind us that if we park between the signs in front of the barracks they will be delighted to fine us, as they were when we got past the pole on Perron Street. It is expected work on the premises will be completed and the move back to Perron Street will be made by the end of September.

OBITUARY

WILHELM: Ronald

On August 28th, 1972, Ronald Wilhelm of 13 Gilmore Crescent, St. Albert, passed away at 44 years. He is survived by his loving wife June, two sons; Howard James and David Ronald, two daughters; Jan Lisa and Carolyn Anne, all at home; his mother Mrs. Edna Youn of Stratford, Ontario, three brothers, Gordon of Sarnia, Walter and Douglas of Stratford.

The Rev. R. O. Olson, pastor, St. Albert Evangelical Lutheran Church, will officiate at the funeral services on Thursday, August 31st, at 1:30 p.m., from Andrews McLaughlin Chapel 112 Street and Jasper Avenue. Interment will be in Evergreen Memorial Gardens.

If friends so desire donations may be made to the Alberta Heart Foundation or the Canadian Cancer Society

Gazette Reader Comment

LEDDY AVENUE

The Editor:

My sister, Mrs. Agnes Lafleur (nee Leddy) and myself, Elizabeth Monniger (nee Leddy) were very happy to learn from the write-up in the Gazette that an avenue in St. Albert was named after our dad, Paul Leddy, for it will keep his name alive long after we are gone.

There is a correction and some further information which we would like to add to the article, if you would consider printing our letter.

First of all Paul Leddy was not born in U.S.A. He was born in Oxford Township Grenville County, Ontario, Canada.

He was married to Cecilia Ellen Carr in North Dakota, where the older children were born. From there they moved to Olds, Alberta, where the twins were born. Thence to Edmonton where his wife died, Feb. 25, 1905.

One of his twin boys died a month later at the age of three, at the St. Albert Convent where Paul Leddy boarded his children. The other twin died at the same school three years later of Indian Measles. We would also like to mention our sister Mary, the oldest of the remaining four, who never married, lived at Paul Leddy's residence in St. Albert, kept house and cared for him till his death in 1938. She lived on in the old home till her death, July 13, 1959.

P.S. Thanking you for any consideration you might show. We are sincerely yours

Paul Leddy's daughters, Elizabeth Monninger and Agnes Lafleur.

As it rotates, Earth wobbles on its axis. This deviation, known as Chandler's Wobble, reaches its peak every seventh year, and some scientists believe earthquakes are more numerous in those years. The next peak year will be 1978, the National Geographic Society says.

Live lobsters now are air-freighted to areas where the seafood previously was unknown. But early shipments to Cuba in 1960 required a veterinarian's certificate that the crustaceans did not have hoof and mouth disease before customs officers would pass them.

When seven inches of rain fell within 30 minutes at Cambridge, Ohio, one day in July 1914, the air was so full of water that anyone stepping outdoors found it virtually impossible to breathe. It was one of the severest rainstorms ever recorded in the United States, the National Geographic Society says.

When Algonquian Indians roamed the forests of present day New York State, legend says Iroquois braves scoffed at them: "Hatirontaks" or "They eat trees." That is how the Adirondack Mountains got their name, the National Geographic Society says.

TYPING 10-20: 20-30 - TUESDAY

Other courses such as photography, wood working etc., (25 Hrs). will be offered if sufficient interest is shown, at a cost of $20.00 per course plus materials.

For further information and pre-registration, telephone

SCHOOL DISTRICT NO. 6 AT 599-7766

REGISTRATION FOR ALL COURSES WILL BE HELD:

SEPTEMBER 5 -- FROM 7 to 9 P.M.

AT PAUL KANE HGH SCHOOL.

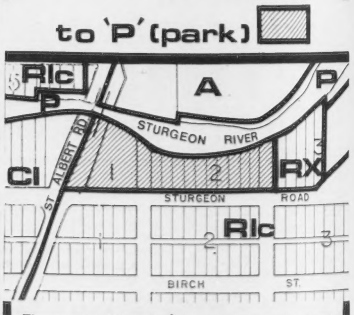
**FOR ANY SUBJECT TO BE OFFERED, THERE MUST BE A MINIMUM OF 12 STUDENTS.

Town of St. Albert

Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lot 1 Block 1 and Lots 1 to 10, Block 2, all in Plan G1, presently zoned Residential - Comprehensive (RX) to Park (P).

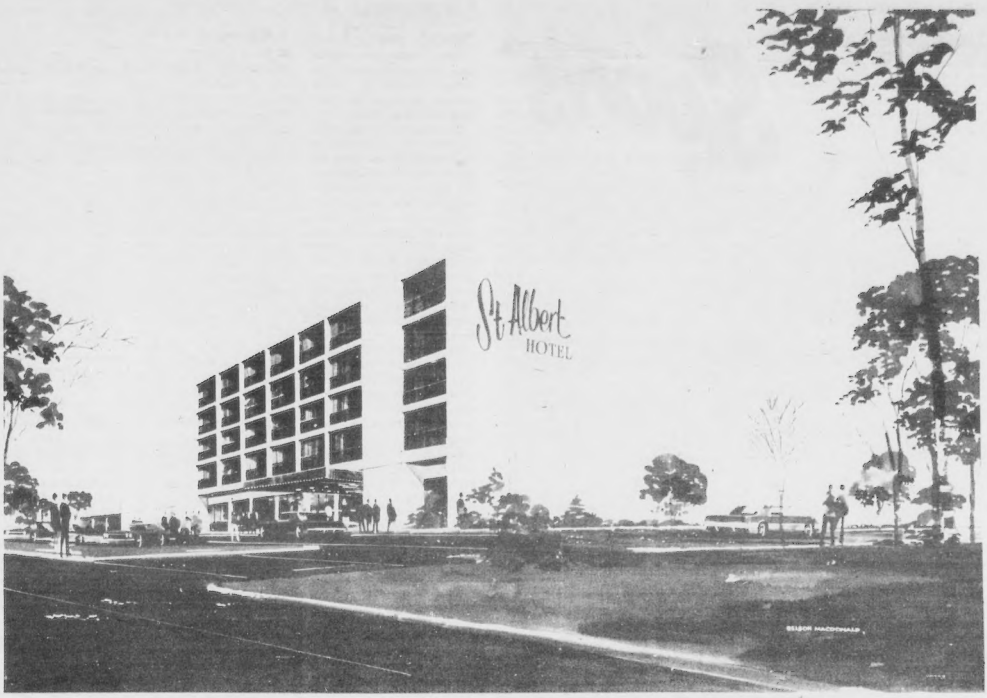


The proposed Bylaw #41/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 18th day of September at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 12 day of September, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.



ABOVE IS SHOWN THE NORTHERN ELEVATION OF THE PROPOSED $1.5 MILLION ST. ALBERT HOTEL

$1.5 Million Hotel Proposed For 1973

Plans for a $1.5 million hotel were unveiled Tuesday afternoon during an interview with Mr. Leon Krygier, president of L & A Hotel Enterprises Ltd. of Calgary and St. Albert.

The fully modern, first class luxurious hotel complex proposed for a parcel of land fronting on St. Albert Trail and adjacent to Ball Avenue. The 'L' shaped property measures 256 ft. on St. Albert Trail, 400 ft. on Ball Avenue as far back as the ravine then on to the northern property line which extends 511 ft. back to 'The Trail.'

Mr. Krygier told The Gazette Tuesday that he and his solicitor, Norm Witten presented plans of the St. Albert Hotel to the Committee of the Whole meeting Monday evening. "So far as I can tell," said Mr. Krygier, "we should be able to start construction pretty soon, because our proposal is a very straight-forward one." He explained that he owns more than enough land for the project, his plans meet all specifications and land dedications "are amply generous." In qualifying land dedication, Mr. Krygier explained that his firm was donating 45 ft. x 256 ft. along St. Albert Trail, the required amount of land for an access road along Ball Avenue and 30 ft. x 500 ft. along the entire rear of his property.

In describing the St. Albert Hotel, as it will stand on the projected completion date of Kinsmen Rodeo 112 (June 1973), Mr. Krygier said the entire complex will be dominated by a four-floor hotel tower, housing 15 ultra-modern, air conditioned rooms per floor. The 'L' shaped main floor base will accommodate a coffee shop for 40 persons, a dining lounge able to accommodate 60, banquet facilities for 400, a cocktail lounge for 125 persons and a public tavern able to seat 375. The entire complex will be complemented with free parking space for over 500 vehicles.

Mr. Krygier, president of L & A Hotel Enterprises Ltd., an affiliate of Grandin Shoppers Park here in St. Albert made it abundantly clear to The Gazette that he is not a promoter-developer as such but a hotel operator for many years. His firm owns The Majestic Inn of Calgary, a luxurious hotel scheduled to open November 1st and also operated The Airliner Inn, also in Calgary until 1970. "This is not an overnight proposition for me," he said, "but a long-term project like my other projects in St. Albert."

Once completed, The St. Albert Hotel will employ a minimum staff of about 75 people.

Friends bid goodbye to Watkins

About 40 friends of Ray and Bea Watkins gathered at the Friendly Giant Inn Friday evening to say goodbye to the popular couple who are leaving shortly for Calgary, where Ray has been transferred.

Murray Keyes entertained in his own lively style at the piano, including plenty of old time sing-song favorites, and many of the curling people enjoyed catching up on the summer news of each other.

Following a late chicken supper, Maurice Hill expressed the good wishes of all present for the Watkins happiness and good fortune in their new home, and presented them with the gift of a lovely ornamental wall clock. He referred to Ray and Bea's active role in the community. Ray worked in both the Curling Club and the Lions Club, and Bea was very active in the Ladies Curling Club, where she served two years as president. Mr. Hill also mentioned Bea's contribution as organist and in choir work at Braeside Presbyterian Church.

The evening concluded with the traditional warm circle and singing of Auld Lang Syne.

With this swing Frank Comeau of the Manufacturers hit a Greg Polis pitch past first base in the NCA final which Morinville lost to Linaria.

Linaria Club captures NCA Baseball crown

The Linaria Flyers for the second year in a row have captured the North Central Baseball League championship.

Last Sunday in Morinville the Flyers, second place finishers in the north division, scored a close 4 - 2 win over the Morinville Manufacturers.

With two out in the third inning, a Morinville outfield error allowed Garry Matson to reach first. Lany Wilson then drilled a single into right field and both came home on a home-run by Greg Polis. Bill Madsen also homered and gave the Flyers a 4 - 0 lead.

Morinville managed one run in the fifth when Barry Edwards doubled to score George St. Laurent who walked. In the eighth Rick Pugliese walked and came home on Frank Volmer's single. Larry Perrott took the loss for Morinville while Sam Gerron went all the way for Linaria.

Linaria defeated Morinville last year 11 - 4 to win the league.

In the preliminary playoffs, Linaria, behind the strong pitching of Greg Polis had no trouble taking Morinville 18 - 2. Bud Pyliuk took the loss.

Vimy was supposed to have played Barrhead in the other semi-final but the Cardinals were playing tournament ball in Mayerthorpe and didn't show up.

Morinville then took Barrhead's place and took a 1 - 0 win on the strength of a home-run by Larry Perrott. Dave Kryskow was the winning pitcher chalking up 11 strike-outs.

Sailfish Place Second In Finals

The St. Albert Sailfish Swim Club took second place in the Alberta Provincial finals held in Calgary Foothills Pool on August 26. Thirty-six clubs from all over the province participated in the meet.

St. Albert swimmers winning firsts were: Paul Grave, boys 8 and under 25 meter freestyle; Claudette Larocque, girls 8 and under 25 meter freestyle; Richard Fowler, boys 13 and 14 50 meter butterfly; Tom Kehoe, boys 15 and 16 in the 100 meter breaststroke.

Other Sailfish placing in the first three were Joe Ainsley, Don England, Suzanne Grieve, Terry Lynch, Brandon McCaffrey, Larry Sander and Denise Savoie.

Final standings of the top 10 clubs were: Stanley Park 961, St. Albert 799, Medicine Hat 777, Camrose 724, Wetaskiwin 594, Grande Prairie 405, Beaver Lodge 330, Edson 306, Hinton 267, Lloydminster 260.

Cameron Wins Senior Spot In Dude Series

Last Thursday the 6th and final race in the Purple Dude series was held on a one mile circuit on the Bonaventure industrial estate.

In the senior competition, M. Kahlina of Alberta Cycle broke away in the first lap and it took the other riders six laps to catch him. With laps remaining, Sandy Harris, Edmonton and Doug Cameron, St. Albert Bruin Inn gained 300 yards on a group consisting of M. Kahlina and Ed Heacock of Alberta Cycle Brent Hart of Trinidad and Peter McCaffery and Karl Schneider of St. Albert Bruin Inn C.C.

Cameron and Harris stayed away for the rest of the race and at the finish Cameron took the checkered flag with Harris only 1/2 wheel behind, third was M. Kahlina.

Overall winner of the series was M. Kahlina, Alberta Cycle with team-mate Ed Heacock a close second only two points behind.

The junior series was won by Sandy Harris with Paul Leung of Alberta Cycle second.

In the schoolboy category, Shane Frahm of Alberta Cycle was first with second place being fitted by Gordon Heacock of Velo Sport Edmonton.

On Sunday the St. Albert Bruin Inn C.C promoted a 47 mile road race over three laps of a 15 1/2 mile circuit which passed Star Key Mine and Sturgeon Golf and Country Club. It was the first time a race had been held on these roads and nearly all the competitors were very enthusiastic about it. There were some wry comments, however, on a 250 yard stretch of gravel at the beginning of Sturgeon Road.

Twenty-two riders in all categories started off together from the weigh scale at 10 a.m., the schoolboys to ride one lap - 15 1/2 miles, the cadets (14 - 15), juniors (16 - 17) and veterans (40 plus) two laps - 33 m. and the seniors (18 - 39) three laps - 47 m.

A group made up of most of the seniors together with junior Paul Leung - Alberta Cycle and Sandy Harris - Edmonton, and veteran Reno Ongaro - Edmonton Italian, soon left the slower riders and at the end of lap one Ongaro fell behind on the weigh scale hill.

After two laps, Harris and Leung finished and only Bob West, VSE, Peter McCaffery, St. Albert Bruin Inn and M. Kahlina and Ed Heacock of Alberta Cycle were left in the lead. As these four reached the gravel stretch, West slowed down and going up the final hill, McCaffery sprinted away - too soon, as it happened - for Heacock and Kahlina passed him only 20 yards from the line, Heacock winning by a few inches

Tomorrow there will be a 10 mile time trial for all who wish to ride. The start and finish will be at the junction of Highway 2 North and the Namao Road, four miles North of weigh scale at 7 p.m. sharp.

On Sunday there will be a 32 mile handicap road race on last Sunday's circuit. Schoolboys will ride 15 1/2 miles.

There is still room for more on the club weekend to Elk Island - Sept. 9 and 10. Phone 599-8704 for details.

Morinville Manufacturers, under coach Nick Wojtkiw, captured first place in the southern division of the North Central Baseball League for the second year in a row, to advance to the NCA finals. From left to right, front row: Rick Pugliese, Guy Chalifoux, O'Neil Chevallier, Bob Wotjkiw (bat boy), Paul Riopel, Dave Kryskow, and George St. Laurent. Centre row, left to right: Nick Wojtkiw, Norm Houle, Ken Saunders, Barry McGillis, Bud Pyliuk, Larry Perrott, Back row, left to right: Don Kootenay, Frank Comeau, Frank Volmer, Bob Kootenay and Barry Edwards.

Soccer Resumes Sept. 6th

Regular scheduled leagues in the Hercules Soccer program are arranged to start on Wednesday, September 6.

Schedules and handicaps for the round-robin tournament will be distributed to managers and coaches this weekend.

While some soccer games were played during the summer the system will be changed next year so that scratch teams formed with boys who are available, regardless of which team they have been assigned to, can take advantage of the good playing weather.

We have requested some accommodation in school gyms during the winter months so that we can offer programs involving refereeing, coaching and indoor practices for boys who are interested in developing their soccer knowledge and skills.

To date we have not received some of the soccer trophies which are presently held by last year's coaches. Would anyone who has a trophy in his possession please contact Ken Armstrong at 599-8081 so that we can arrange to pick it up.

Local 'A' Team Wins Playoff Berth

Last Friday the St. Albert 'A' team (D. Kirk, C. Warren, J. Wood, C. Sage) lost 5 - 3 at Garneau, but on Monday night they tied the Glenora team 4 - 4 at home, which puts our 'A' team in the playoffs against Glenora.

The team (Dave Kirk, Clark Warren, Cynthia Sage Betty Ontkean, Judy Wood) is to be congratulated on its fine showing, particularly as St. Albert with 4 'A' players has the least number of 'A' players of the three clubs in the 'A' league. Garneau has 11, and Glenora has 35.

St. Albert's B1 team is also to be congratulated. It led the seven team league at the end of regular season play. League standings were as follows: 1st- St. Albert B1; 2nd - Hillcrest 2; 3rd - Garneau; 4th - Fort Saskatchewan; 5h - Glenora; 6th - Hillcrest 1; 7th - St. Albert B2. The first four teams are in the playoffs. Last week the B1 team (Clark Warren, Roman Mureika, Roberta Parsons, Angela Miller) played the Fort team and won 5 - 3 in the first game of the semi-finals.

The novelty doubles tournament held last Sunday afternoon was great fun. Noel Gordon and Al Hoge tied as winners for the men; Joan Green was the winner for the ladies.

The following are coming tournaments which may be of interest to members. Tentative dates for the Hillcrest Tournament are Sept. 9 and 10. Please contact C. Warren for confirmation. Our club will be holding its final tournament the weekend of Sept. 16 and 17. Details about fees and entry deadlines will be given later but please be thinking about whom you would like to play with. The only restriction on choosing partners is that winning partnerships for the past two years may not combine again. There will be a separate tournament for junior club members the same weekend if the tournament captains feel there are sufficient entries. To wind up the season, there will be a club party on Saturday, Sept. 23.

Ladies are reminded that ladies morning is Thursday at 10 a.m.

Local Youth Cited For Bravery Award

Lori Katarius of 28 Geneva Cres., (seated at the piano) was awarded the Madame LeSaunier Memorial Scholarship, being one year's free tuition, by Mrs. Lillian Upright of 5 Ball Avenue. The award was made to Lori because she is the student displaying outstanding musical promise in Mrs. Upright's piano class. Unfortunately the Katarius family are moving to Calgary where Mr. W. Katarius has been transferred. Standing in the background, the proud music teacher, Mrs. Upright.

Donald Ouellette, 13 year old son of Mr. and Mrs. Albert Ouellette of 13 Gordon Crescent, St. Albert is one of nine Alberta winners of the 1972 Junior Citizen Awards.

The announcement was released this week from the public relations office of Calgary Power Ltd. Presentation of the award will be made by Lt. Governor Dr. J. W. Grant MacEwan at a luncheon to be held at the Calgary Inn, Calgary, on Friday, September 15 as part of the Alberta Weekly Newspaper Association convention.

Donald Ouellette was nominated for the award by Mrs. Frank Joyal of 38 Sonora Drive, St. Albert. Mrs. Joyal was first informed of Donald's feat of bravery when his mother enquired about the procedure to have skating crests replaced. Mrs. Ouellette explained to Mrs. Joyal that Donald had lost items of clothing during the rescue, including a jacket with power-skating crests.

That was when Mrs. Joyal notified The Gazette and decided to nominate the brave young man for the award. Along with the nomination, Mrs. Joyal included a clipping from The Gazette, which described in detail how the rescue was executed.

Donald, a very level-headed young man who took his training for his senior swimmer's badge at the St. Albert Pool through the Red Cross program saved three male adults from drowning at Pidgeon Lake, May 21. A fourth member, while being rescued, panicked and drowned.

On the day of the incident, May 21 at about 12:30 p.m., Donald heard cries of help coming from a point about one-half mile offshore. Aboard the family's aluminum boat, young Donald responded immediately. He found four male adults clinging to two overturned pedal water crafts. He first rescued two of the desperate non-swimmers and told the other two to hang on until he returned. Depositing his two grateful would-be victims of the choppy lake, Donald returned for the other two non-swimmers and brought with him an unknown bystander along. Don and his unknown companion reached the other two men, managed to get them aboard his aluminum craft when one of them panicked and dumped all four occupants into the lake.

The panicky non-swimmer drowned but Donald, the other chap, he risked his life to rescue, along with his unknown volunteer helper, all got back safely to shore through the quick action of a retired doctor who was watching the drama from shore. Dr. Johnson came to the scene in his boat and brought all three safely ashore.

Later in the day, Donald's family boat was returned, however, minus life jackets and the clothes he removed when his craft was unexpectedly overturned.

The citation reads in part, "Donald Ouellette is personally responsible for saving the lives of three male residents of Alberta . . . and through no fault of his, the fourth man in distress would have been saved from drowning."

Thank You

On the advice of my doctor I have sold my accounting business in St. Albert and the date of transfer will be September 5th, 1972.

While I regret circumstances that prompted me to sell, it is with pride and confidence that I transfer my interests to Mr. Mark Wheeler, the new owner.

At this time, I wish to sincerely thank all the clients, whom I had the pleasure of serving during the past years. They are being left in good capable hands with Mr. Wheeler. A special 'thank you' to my devoted staff.

RENE KAMBOUROFF.

Art display at library will feature Canadiana

There are three displays coming to the St. Albert Public Library that will be of interest to local residents, particularly local art enthusiasts. For the next two months the library will be housing a travelling book collection on Canadian art and artists. It is on loan from the Libraries Division of the provincial Cultural Development Branch. The 60 books in the collection cover the graphic arts, architecture, drama and music with special emphasis on Canadian painters and painting. All aspects from biographical to instructional are covered by the variety of titles, promising "something different" for everyone interested in Canada's position in the art world.

This travelling book collection is one of many that the Cultural Development Branch sends around the province. This one is brand new, however, and the St. Albert Public Library is its first stop. These collections provide more specialized titles in various areas than most smaller libraries can attempt to provide, and serve as an added attraction to any permanent collection. All of the books may be loaned for the normal two-week period.

In addition to the book display, starting September 11th for two weeks, the library will be showing an art display entitled A SURVEY OF MODERN PAINTING. This series of 10 reproductions traces the development of painting from the beginning of the 20th century, from Impressionism to Pop Art. In addition, this display will include original paintings and graphics by Alberta artists. This display will coincide with the Arts and Crafts Guild's annual ART FAIR, which will be held in Sir George Simpson School on Sunday, September 17th.

For a two week period starting October 7th there will be a display of ceramics by Pierre Guy showing at the library. Further details will appear in the Gazette later.

The presence of these three attractions in the library will serve to usher in the library's own loan collection of framed art prints. This initial venture into "non-print media" in the library should be inaugurated before Christmas with about 20 reproductions available, for a month's loan, for a nominal fee.

Dear Editor: "Should a father of 50 get married again?"

Dear Reader: "No, that's enough children for any man."

ASK ABOUT OUR LEASE PLAN

Arnie Bailey accepts offer in Israel

Arnie Bailey of 64 Grandin Road, lathing contractor and owner of Bailey Construction Ltd. is going to Elath, Israel on the invitation of the Israeli government to serve as an on-the-job instructor and supervisor.

The building program in the remote city on the southern tip of the country, bordering the Red Sea, includes a seven-storey high rise and three 3-storey walk-up apartments.

Arnie was extremely surprised when he received a call about two months ago from a company representative of Gypsum Drywall asking if he would consider taking on the job. Gypsum is the firm supplying part of the project material and Alberta Drywall have also been in touch with Mr. Bailey, working out the details. Arnie believes he was recommended by a former colleague in the lathing contracting business who is presently working in Israel.

There is a plentiful supply of labour in Elath, population approximately 5,000, but the men are in the main untrained.

ARNIE BAILEY

At the conclusion of the project, expected to take several months, Arnie will be joined by his wife, Doady for a holiday. The children, Susan, Byron, Linda and Laurie will stay with friends in St. Albert.

Fortunately for the St. Albert Willowbrook Saints, their stalwart first baseman was able to complete the season before this exciting opportunity came up. Bailey Construction Ltd. will operate as usual during Arnie's absence.

Nymeyer family moving to Kamloops

Bill and Septke Nymeyer and their four children of 37 Salisbury Avenue are moving to Kamloops, B.C., where Bill has accepted a very attractive job offer with a Chrysler-Dodge dealership. It will be his responsibility as parts manager to oversee the construction and operation of a new and greatly expanded parts department for the firm. Bill has been a provisioner with J. I. Case Ltd. in Edmonton for 15 years.

"We are very sorry to be leaving St. Albert, and know we will miss it a lot," said Mrs. Nymeyer, but the job prospect is so exciting that we couldn't turn it down."

Before accepting the position, Bill and Septke flew out to Kamloops on the August 6th long weekend, where they were royally treated by the general manager, with luxurious accommodations and a new car at their disposal, and entertained at luncheons and dinners. Temperatures reached 108 degrees that weekend.

During their 8 and 1/2 years in St. Albert the Nymeyers have been active in the community. Bill has served two years as a councillor for both 3rd and 4th St. Albert Cub Packs, and has cooked in every cub camp around. He has also served as chairman of the Board of Managers of Braeside Presbyterian Church for two years. Septke was in on the ground floor of the Help Society, working with Elmer Harrison on an investigation committee of four, then the steering committee, and eventually as a member of the Society's Board. She also assisted with the Mothers Day Out program as often as possible. In addition she worked part-time for Woodwards in Edmonton.

The family is going Thursday with their two vans loaded and Bill will move into their rented condominium, and Bill begins work there September 1st. Septke and the children, John, Trudy, Grace and Ronald will be back to finish packing and look after the sale of their house.

Family, Friends Mark M. Cassidys Birthday

A surprise party was held recently at the home of Maurice Cassidy of 142 St. and 137 Ave. who was marking his 80th birthday.

Maurice attended church services Sunday as usual and when he returned home he was pleasantly surprised to be greeted by his wife and family of seven children including wives, husbands and 27 grandchildren. In unison they sang "Happy Birthday" then the festivities got under way.

Adding to the surprise on this occasion was the unexpected visit of Mr. Cassidy's cousin George Cassidy accompanied by his daughter Rita of Tweed, Ontario. George is 86 years old and made the long trip west to help celebrate his cousin's birthday.

Later in the day about 350 relatives and friends joined in the party, some coming from as far away as Los Gatos, California, Vancouver, B.C., Calgary, Red Deer, Vegreville, St. Albert and surrounding districts.

Maurice Cassidy came to the St. Albert district with his parents, Mike and Annie Cassidy in 1893. Maurice still lives on the old family homestead bordered today by 142 Street and 137 Avenue

MAURICE CASSIDY

Mr. Cassidy has seen many changes occur in St. Albert and district, including Edmonton. He saw the entire area develop from tiny frontier settlements into the modern centres of today.

Progressive schools are where they never do anything to deflate a child's ego. One kid played hooky for three months, but they never called it that. They just said he flunked roll-call!

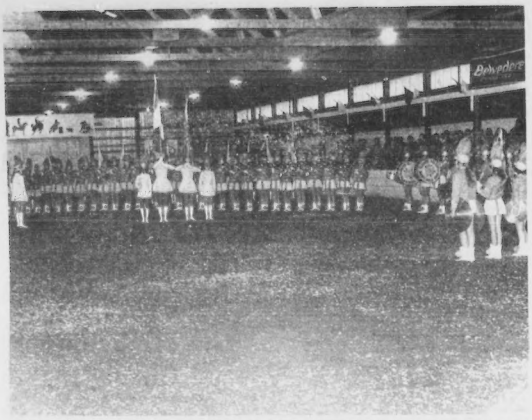
EDMONTON MOTORS



The Alberta All Girls Drum and Bugle Band, presently touring Western Europe and receiving rave-notices wherever they've performed, no doubt had a positive effect on Edmonton's selection as the site for the 1978 Commonwealth Games. Press, radio and TV notices of the Alberta ambassadors' performance in Munich were unanimously 'excellent'. Among the 106 members of the band are five young ladies from St. Albert: Carol and Maureen Riddell, Beverly Lewis, Jill Plasteras and Pam Innes. The troupe will be given a hero's welcome at the International Airport, September 2 when they return from their goodwill trip.

Part of the action in the Demolition races at Morinville Sunday, which proved one of the larger and more exciting demolition events in the area this season.

Power Probe To Assess Requirements

A forecast of the electric energy and resource requirements of the Province of Alberta to the year 2001 has been undertaken by the newly-established Electric Utility Planning Council.

The Council, established to plan and co-ordinate electric power development in the province, includes representation from Alberta Power Ltd., Calgary Power Ltd., Edmonton Power, City of Calgary Electric System, City of Red Deer, City of Medicine Hat, City of Lethbridge, the Cooperative Activities and Credit Unions Branch of the provincial Department of Agriculture, the provincial Department of Telephones and Utilities and the Energy Resources Conservation Board.

The Council was formed to co-ordinate planning in the best interest of the people of Alberta and is under the chairmanship this year of Wilson Sterling, of Alberta Power.

A Chariot racer jockeys for the advantageous inside position at the Morinville Sports Day held Sunday.

MANAGERESS -- MRS. JEANNE ROUSE

Mrs. John Hart of 8 Salina Drive, St. Albert won a trip for two plus $500 in the Canada-wide consumer contest sponsored by Marshall-Wells Ltd. The Harts, accompanied by their two youngest children, Bob 15 and Lesley 5, leave for Britain September 5th. While in Britain, the Hart family will visit Mr. Hart's father and other members of the family. Left to right: John Hart holding daughter Lesley, Mrs. Hart, receiving the two Air-Canada tickets and the $500 cheque from Vern Tompkins, owner of Tomkins Hardware Ltd.

Dr. Don McLeod, a graduate of Palmer College of Chiropractic was nominated Social Credit candidate for West Edmonton August 23. Dr. McLeod was born in Acme, Alberta, served in the Canadian Army Medical Corp. during the war. Dr. McLeod was nominated by Dr. Duncan Proudlock of St. Albert and seconded by Albert Bourcier and Albert Sept, at the convention held in the Saxony Motor Inn.

Forest Fire Crack Teams Cut Damages

The Northwest Lands and Forest Service's new policy of basing permanent eight-man firefighting crews throughout the Northwest Territories has already proven a major success, G. B. Armstrong, Regional Director of Resources for the Department of Indian Affairs and Northern Development, said here today.

"As of last Friday," Mr. Armstrong said, "there have been 245 forest fires this season compared to 217 at the same date last year; 1971 proved to be the worst fire season in the history of the Northwest Territories with a total of 330 fires.

"However, because of the increased speed and flexibility provided by the permanent crews; this year's fires have burned only 250,000 acres compared with more than 525,000 at this time last year." He was referring to a decision earlier this spring to establish nine 8-man fire-fighting crews in key centres along the Mackenzie Valley, in Yellowknife and south of Great Slave Lake.

The crews are fully equipped with fire-fighting gear and helicopters are based at each point to move the men to new outbreaks. In addition, they can be backed up by Canso water bombers, helicopters equipped with water-drop buckets, Twin Otter supply aircraft and single-engine Birddog planes.

Universities May Study Booze Problem

Establishment of a foundation to financially support a 'chair' on alcoholism and drug abuse at one or both of Alberta's two major universities is advocated by the Alberta Medical Association

Acting on a recommendation from its Committee on Alcoholism and Drug Abuse, the AMA board of directors has approved a motion calling for the 2,200-member association to support and take the initiative in the establishment of a foundation on alcoholism and drug abuse.

"The primary purpose of such a foundation would be to obtain funds to establish and support a 'chair' or 'chairs' on alcoholism and drug abuse at either the University of Alberta or the University of Calgary, or both," Dr. C. J. Varvis, president of the AMA said.

In explaining the need Dr. Varvis said the AMA's committee has considered the subject in some depth and it is apparent that education is an important factor in understanding and in approaching the problem of alcoholism.

Lady: "Could I try on that suit in the window?"

Clerk: "We'd rather you use the dressing room."

In one of the Cape Kennedy buildings where a great number of highly scientific computers are housed there is a glass cabinet on the wall. It contains an abacus.

On the door of the cabinet is this sign:

"In case of emergency, break glass."

Pickles That Please

By Pat Prymak,
District Home Economist

PICKLES THAT PLEASE!

Pickling time is just around the corner. Did you wonder why last year's pickles were too soft, discolored or hollow? Following are some common faults and the causes:

SOFTNESS -- not enough salt used (follow recipe carefully) *not keeping cucumbers covered by brine; *using vinegar that is too weak or diluted; *storing pickles in too warm a place; *boiling pickles in pickling liquid.

DISCOLORATION - brine too weak; *brine not hot enough when poured over pickles; *too long a cooking time.

HOLLOW PICKLES-faulty cucumber growth development; *holding pickles too long after pickling; *high temperatures during fermentation process.

CLOUDINESS -- using a free-running type of salt or poor grade of vinegar; * spices; *alkaline water (eg lot of soda in water); *time of processing too long.

SHRIVELLING -- using too much salt or sugar; *using too strong a vinegar at beginning of pickling process; *cucumbers picked too long before pickling.

SLIPPERY PICKLES -- not enough salt (brine too weak); *pickles exposed above brine solution.

Pickles may require SOAKING IN COLD WATER to keep them firm during the succeeding pickling process This also helps to reduce bitterness.

Using a small amount of ALUM during the pickling process develops a crisp quality in certain pickles - e.g., nine-day pickles.

SPICES should be bought FRESH each year since they tend to lose flavor if stored too long.

A DARK COLOR or bitter flavor may result from using too much spice, or from using too much spice, from boiling the spice too long with the vinegar.

Use enamel, aluminum or stainless steel cooking utensils, in making pickles. Vinegar and salt react with iron, copper and brass, causing discoloration.

Some pickles, relishes and sauces tend to discolor if packed in jars. Sealers are more airtight and should be used when recommended in recipe.

DILL PICKLES:

1. Use freshly picked cucumbers three to five inches long.
2. Wash, soak overnight in cold water. Drain thoroughly.
3. Place pieces of dill in bottom of clean jars.
4. Pack cucumbers into jars and place more dill on top.
5. Combine: 1/2 cuptable (bag) salt or 3/4 cup coarse salt; 2 cups white vinegar; 6 cups water.
6. Bring to boil and pour hot liquid over cucumbers.
7. Seal. Let stand in cool place at least six weeks before using.

Yield: Let stand in cool place at least six weeks

Yield: Sufficient liquid for four quarts pickles. If desired, a small piece of garlic may be added to each quart of pickles.

** ** **

Any further questions about pickling, or any food preserving concerns, drop me a line at the MD Building or phone 256-3351.

Need some pickle recipes? Send for "Jams, Jellies, and Pickles."

Valuation Day

By Wally Klatt,
District Agriculturist.

Property may be valued at the discretion of the owner. however, it would be advantageous if it was valued this year. There is no compelling law stating that property has to be valued this year. The big advantage, however, is that it is easier to document now than in years from now. Additionally, property has to be valued prior to selling.

There is no hard and fast rule for evaluating.

Child Safety

By Pat Prymak,
District Home Economist

CHILD SAFETY

The following tips are taken from a May 1972 publication by the Consumers Association of Canada. (C.A.C.)

Children's Bicycles - - Choosing a child's bicycle can be very difficult. The high rise handlebar, long seat type is one of the big sellers, and therefore much cheaper and more attractive But Consumers' Association of Canada warns that this bicycle is strictly a plaything, unsafe on public roads because the position of the rider is such that balance and steering are adversely affected.

Buying a Bike - Consumers' Association of Canada warns that the biggest mistakes in buying a bike is getting the wrong size. A rule of thumb method for frame size is your inside leg measurement, which is from crotch to ground, minus 10 inches.

Child Safety - Consumers' Association of Canada reports that the latest figures show a 7/8 per cent increase in infant and toddler car accidents since 1968. Parents are reminded that baby car beds are never to be used as safety seats and that belly-band harnesses are unsafe.

Dangerous Toys - Consumers' Association of Canada reports that each year children are drowned because they have been using air-filled plastic toys as floats. Parents are warned to keep a vigilant eye on their youngsters to make sure these playthings are used safely.

Car Seat for Your Child - Consumers' Association of Canada reports that 12,000 children were killed in car accidents last year. Parents are reminded that hook-over and hook-under seats are dangerous and that the only seats that have successfully passed dynamic safety tests are the GM Infant Carrier and the Ford Tot Guard.

Air Pollution Reading

Been listening to the radio lately and heard the broadcastor saying, "The pollution reading in Edmonton is 15." What does this mean?

A reading of 0 to 25 indicates CLEAN air;
26 to 50 indicates LIGHT air Pollution;
51 to 75 indicates MODERATE air Pollution;
76 to 100 indicates HEAVY air Pollution;
and over 100 indicates SEVERE air Pollution.

Farm Management Course

By Wallace Klatt,
District Agriculturist

A farm management course will be conducted at Morinville from January 15 to March 7, 1973.

This course (eight weeks total) will cover farm business management, soils and crops, livestock production, farm mechanization and farm product marketing.

All aspects of these subjects will be specifically covered.

This is a Canadian Manpower Course.

The entrance requirements are: One of (1, 2, 3 or 4) plus 5, 6, 7, 8 and 9.

1. Value of agricultural product sales $5,000 to $10,000.
2. Total farm acreage 400 to 760 acres.
3. Total improved farm acreage 240 to 560 acres.
4. Total capital value of farm $25,000 to $100,000 (land, buildings, machinery, livestock).
5. Age of farmer between 25 and 54 years.
6. Educational level of grade 6 or better.
7. Available for training for eight weeks, five days a week, six hours a day.
8. Good disposition towards agricultural training.
9. Committed to farming as a livelihood.

Twenty (20) students will be taken and if the entrance requirements are met the selection will be on a first-come first-serve basis.

If you're interested contact Wally Klatt, district agriculturist at Morinville-phone 256-3351, discuss the course and remuneration.

Local Grain Sales

By Wallace Klatt,
District Agriculturist.

Grain producers wishing to sell grain locally can now list this information with the operator at Edmonton - phone 435-9841. The number of bushels available, the test weight, moisture content, grade, etc., will be recorded. As buyers become available their requirements will be matched with the grain for sale. The seller and buyer will then finalize the details.

Publications

The following publications are available from this office. Indicate the ones you require by a check mark and mail the clipping to the Department of Agriculture, Box 510, Morinville TOG 1PO.

. . . Alberta Pork Recipes
. . . International Foods
. . . Potato Medley from P.E.I.
. . . Baby Care and Feeding

. . . Credit for Profit

Sprinklers prevent frost damage

Home gardeners faced with threatening frost damage to their vegetable patch often use one of nature's tricks -- spraying their plants with water.

As the temperature dips below freezing, the droplets on the plants absorb the brunt of the attack.

They freeze before the plants are nipped.

An Agriculture Canada scientist has now confirmed that this will work on a commercial scale as well.

Large crowds enjoy sport events in Morinville

The Sports Day held Sunday drew large crowds for an outstanding program of sporting events.

Baseball fans saw some very fine ball and close games in the North Central Alberta league playdowns, with the Linaria club taking the championship.

A record entry of 22 cars put on a terrific display in the demolition races to the delight of the crowd, and Morinville driver Bill Schafers in the CJD Implements St. Albert car, a 1955 Ford outlasted the field and won the Frontier Daze trophy, presented by Pete Gibeau, Leon Kremer and Roger Belanger, organizers, turned in a fine job on this event.

New entry records were also set in the chariot races, with 27 and the chuckwagon races with 16 wagons, all members of the Highway 43 Pony Chuckwagon and Chariot Club. Doug Andrur of Mayerthorpe was caller.

Ed Buckmier of Erskine won the final heat in the chariot event and Bill Tullock of Mayerthorpe edged out Doug Carswell of Ponoka to win the chuckwagon races On hand to record these events were secretary Gin Andrew, timers Tina King, Bonnie Knapp and Carol Tulloch and recorder Winnie Wilkinson, all of Mayerthorpe. Frank Wardly of rural Morinville as director of the track events is to be commended on his contribution to the Sports Day, and with the new track Morinville can be expected to come up with some exciting races again next year.

The small fry were well entertained with the amusement equipment, concession booths were complete sell outs and local chefs served up fine barbecue steaks at five and even the weather co-operated beautifully.

Namao people and visitors enjoy fine flower show

By Norma Crozier

Namao held another successful flower show on Saturday, August 26. With the theme "Say It With Flowers" the decorating committee set the stage with a trellis of vines, gay geraniums and hollyhocks. Mrs. O. Harter's "hangings" decorated the walls.

Winners were Grand Aggregate, Unifarm trophy - Mrs. Pat Jeppsen. Jeppsen trophy - Best Basket of flowers - Mrs. Ruth Hodgins. Paul Trophy - 4H - Betty Gibson. Zaychuk Trophy - Best Fruit Display - Mrs. Arlene Speers. Bell Trophy - Jr. Aggregate - Colin Robertson. Kindleman Trophy - Total Points - 9 -12 years-Betty Gibson. Pearse Trophy - Total Points - 8 and under - Colin Robertson. McLay Trophy - Best Vase of flowers - Ruth Hodgins. Samis Trophy - Best Dark Glad - Mary Clark. A. McLay Trophy - Best Adult Exhibit - Pat Jeppsen. Clark Trophy - Best Vase of Glads B. L. Kindleman. Craig Prize - Best Foliage Plant-Marge Clark. Barnett Prize Best Jr. Entry - Colleen Jeffery.

The door prize was won by Heather McLay. Many thanks to the drivers who brought six car loads of old folks from Rivercrest Lodge at Fort Saskatchewan out for the afternoon.

Building plans occupy Bon Accord Council

Work is progressing on the Northeast Subdivision. Debentures have been received for signature and seal from the Alberta Municipal Financing Corporation in connection with water and sewer extensions for this development.

Mr. Ed Brennan approached council with a request to build a 6 - Plex on Lots 9, 10 and 11, Block 5, Plan 5261 B.A. and received approval.

A full discussion took place on work to be done on lanes and crescent, also on installation of culverts. These matters will be dealt with after September 1st when Councillor Deedman, who is in charge of public works, returns from holiday. Oiling of some streets will be done at this time also.

The Municipal Inspector's report was read by Mayor Brennan and will be read again at the next annual meeting.

Homeowners are reminded to fill out their tax discount forms and return them to the village office as soon as possible. The final date for filing applications is -- December 31st, 1972.

Residents are also reminded that grass seed is available on request at the village office for seeding frontages from the property line to the road.

Rural Recreation

By Carl Royan

FALL AND WINTER PROGRAMS

There will be meetings held in each location within Sturgeon throughout the month of September to deal with the recreational programs to be held in the area this fall and winter. I will have with me a very extensive list of activities that can be offered if interest warrants them. These programs fall under the general headings of 1) athletics; 2) arts and crafts 3) general interest (e.g. learn to play chess; 4) cultural activities (music, drama, dance) and 5) outdoor education.

For each activity offered a leader is necessary and if we can get leaders from Sturgeon the cost for the courses will be much less. If you would like to teach a course whether you have training or not as long as you are willing to take training, contact me at 424-6276 or 256-3323 for more information.

SUMMER PROGRAMS:

With the finish of most of the summer programs comes evaluation time for the programs. I would appreciate a note from anyone who has a constructive idea on how any of the programs such as 1) arts and craft workshop, 2) swimming, 3) STEP or 4) local initiatives could be improved for another year.

There will be reports completed on STEP and the Travelling Arts and Craft Workshop so if anyone would like a copy feel free to contact me at the office.

Morinville Playschool

All parents of preschoolers are advised that the Morinville Playschool will reopen on September 18, 1972. Names are to be submitted in advance to Mrs. V. Pezer or Mrs. J. McRae in order to stabilize the classes.

The English class is full, but the French class still has openings and another English class may be formed if sufficient names are submitted before the deadline - September 8, 1972.

If you know others who are interested please phone: V. Pezer - 256-3254; C. McRae - 256-3491 and the child will be enrolled.

NAMAO NEWS

By Norma Crozier

Next meeting of Namao UCW will be held at the home of Mrs. Ted Samis on Wednesday, September 13 at 1:30 p.m.

Audrey Gibson has returned home from a two week 4H tour to California.

Fire damaged the home of Bob and Marilyn Robertson on Friday night. With the help of neighbors they were able to save the contents but the house suffered extensive damage from smoke and water.

Mr. and Mrs. Hugh Crozier held "Open House" on the evening of August 23 in honour of Mr. Lee Potter's 70th birthday.

The Gordon Clarke family are back from a trip home to England. They were accompanied by Janice Crozier.

Flower & Vegetable show successful in Calahoo

By Liz McLeod

When the WI decided to try and put on a Flower and Vegetable show, members didn't reckon all the work involved, but as the time drew near, anticipation ran high and everyone got into the act. Twenty-three entrants from surrounding Villeneuve, Riviere Qui Barre, Onoway, Calahoo and districts entered flowers and or vegetables, creating a beautiful display last Wednesday.

Many got up at 5:30 a.m. only to find it was still dark and had to wait till 6 to pick vegetables so they'd be fresh and crisp for 9 a.m. judging. Many dug up half their root crop just to find even sized, free of blemish spuds, carrots etc., but it was all so worth it to have a prize ribbon attached after the judging. We learn by doing and next year the show won't be so early in the morning.

The judge, Mr. Pete McCalla, head of the Horticulturist Society in Edmonton was unable to attend, so sent a fine gentleman, Mr. Tony Jansen, associated with the Government Greenhouse Legislative Building, Edmonton in his place.

District Agriculturist Wally Klatt assisted Mr. Jansen along with three members of Calahoo WI., Mary Dalheim, Liz McLeod and Daphne Kerr. They placed the ribbons, marked the names of the 1st, 2nd and 3rd prize winners in a permanent record book and recorded the judge's comments and criticisms. Elsa Lischewski and Madeline Brown rechecked the figures

There were a few points Mr. Jansen stressed which every entrant should heed, namely:

1) Uniformity in size, e.g. if in a plate of six carrots four are big and two are small, this is wrong. All should be as close to same size and the judge looks for a small core.

2) Follow the list explicitly, e.g. if plate of three is called for there must be just three. Not more or less.

3) Entry tags that can be purchased from a grain company, serve as dividers to better show off each class are a great improvement to any show.

Mr. Jansen showed entrants how to properly show an onion. The outer brown skin should be removed with root left on and two inches of top left on, or for more attractiveness leave three inches of top and bend this over, fastening with an elastic.

Sweetpeas could be used in a class as a flower arrangement.

Lilies should be classed as one stem in future instead of one bloom, because the more blooms on one stem the more beauty.

Mary Victoor brought a vegetable arrangement just for show and Mr. Jansen was so impressed with it, he told us we could have a class of this nature also.

Decorative Dahlias should be only six inches and over or under since its pretty hard to get one eight inches and over. The beautiful ones entered were seven inches in this show.

When the doors opened at 2 p.m. it was heartwarming to see so many interested folks come to view the display and enjoy visiting over a cup of coffee or tea and delicious dainties.

Since Mr. Jansen and Mr. Klatt had previous engagements and were unable to wait till 2 p.m. to address the public, Mrs. McLeod was asked to convey the judges comments and criticisms, so as to help entrants for future shows.

Following this Mrs. Dalheim had the pleasant task of revealing the winners of the Grand Aggregate prize for the flowers and one for the vegetables.

A very pleasantly surprised Mary Victoor was the recipient for the flowers and received a beautiful hobnail milk glass vase.

The pretty blue cream and sugar set in silver holder with spoon on a tray was won by an excited surprised Liz McLeod for the most points in vegetables.

Just starting out the WI only awarded the two prizes but another year they are thinking of a Grand Aggregate for the show plus entries for children, something the judge was disappointed not to see this year.

Laura Boddez won the door prize, a AWI cup and saucer.

Thanks are due to Mary Victoor for the pot of coffee, which the judges and the members, who ate their lunch right there, really enjoyed. And to Laura Boddez for the floral arrangements and bouquets on the tea tables.

The WI is indebted to the entrants, without whom the show couldn't have been, and to all the interested neighbors and friends from surrounding districts, including newcomers in Calahoo, John and Cherry Dodd, and Norman and Lucy Cooper from North Bay plus a charming lady, Maye Fulton from Shelby, Montana, visitors in the district who came with their relatives to share our triumph in having a successful show.

A good representation of Onoway WI who are planning a show next year were present. The WI wishes to thank each and everyone who helped prepare and clean the hall afterwards.

Gibbons

By Gladys Morin

At the August 21st meeting of the Gibbons Community Centre it was decided to paint the cement floor on the new addition. Preparations for the bingo to be held September 15th were also discussed.

Councillors Gladys Morin and Deputy Mayor Oliver represented the village in the parade for Krazie Days in Redwater, August 26th.

Thirty-two people attended the social and barbecue for the Senior Citizens held at the Legion Hut and reported a very successful event.

Mrs. Louisa Henshall former resident of Gibbons, now residing at Rivercrest Lodge in Fort Saskatchewan celebrated her 84th birthday, Friday, August 25. Richard and Laverne Craig, Mrs. Henshall's grand-daughter and her husband had her up to Gibbons for the occasion. During the afternoon she attended an antique tea at Coronado and had a visit with many friends and in the evening she attended the Senior Citizens Barbecue at the Gibbons Legion Hut, where everyone joined in singing Happy Birthday.

Get well wishes are extended to Alex Roberts at the Royal Alexandra Hospital in Edmonton.

Diocese appointments

REV. FERNAND CROTEAU

Among the 12 appointments announced this week by the St. Paul Diocese are four of interest to district readers.

Rev. Fernand Croteau, pastor of Cold Lake is appointed Vicar-General of the Diocese.

Rev. Louis Viel, returning from a year of studies is appointed to the Matrimonial Court in Edmonton and Assistant at Morinville.

Rev. Rosario Simard, returning from a year of studies is appointed Pastor of Mallaig, Ste. Lina and Goodridge.

Rev. Lucien Tellier after replacing in Legal for a few months is appointed Pastor of Boyle and Missions.

MR. & MRS. JOSEPH SLOBOGEAN

Legal couple wed in St. Emile's church

By Lucienne Montpetit

St. Emile's Church was the setting for a beautiful summer wedding when Louise Regimbald, daughter of Mr. and Mrs. Leo Regimbald was united in a triple ring ceremony to Joseph Slobogean, son of Mr. and Mrs. Paul Slobogeanall from Legal. Father Roland Bissonnette performed the ceremony before an altar banked with baskets of multicolored mums.

The wedding music was played by Anita Chauvet with Patsy Montpetit soloist.

Given in marriage by her father, the bride was radiant in her long gown of peau de sole, featuring its own train edged with mother of pearl lace, delicate bands of mother of pearl lace enhanced the bodice, skirt and her jewel neckline.

A delicate cluster of flowers held her tiered nylon illusion bouffant veil. She carried a cascade of bright pink roses.

Bridesmaids Rita Laframboise, Rita Tieulie, cousins of the bride and Cindy Chodan cousin of the groom, chose identical empire line pink crepe gowns, banded with white and pink centered daisies. They carried cascades of pink carnations and white baby roses.

The best men were Lester Stemkowski, cousin of the groom, Myron Slobogean, brother of the groom, and George Regimbald, brother of the bride. Ushering the guests were Steve Chodan and Marcel Regimbald.

To receive her guests, Mrs. Regimbald chose a light mauve fortrel dress with lace bodice and sleeves complimented by a corsage of pink roses, while Mrs. Slobogean looked lovely in her bright pink fortrel dress with beaded trimming and white roses en corsage.

Following the ceremony a reception and dance was held at the Egremont Community Hall. Raymond Tremblay was master of ceremonies and also presented the toast to the bride.

For their wedding trip to Vancouver the bride donned a three piece ensemble.

The couple will reside in Edmonton.

Out of town guests were Myron Slobogean, Vancouver Mr. and Mrs. Russell Ostapek, Fox Creek; Mr. and Mrs. Andre Tremblay, Girouxville and Mrs. Adele Tremblay, Girouxville.

By Rose Martel

A very warm welcome is extended to Rev. Louis Viel, who has been appointed assistant pastor in Morinville.

Morinville is happy to also welcome back well known business man, Mr. Raymond Meunier. Many of his former customers will be very happy to see Ray once again behind the counter as parts man at Meunier's Farm Equipment Ltd. during the busy season. Mrs. Rolande Meunier, now visiting in Red Deer with her daughter Rita and grandchildren, will soon come to Morinville to join Ray and visit the old hometown.

Paul Riopel is back from a well earned short holiday at the coast before resuming his teaching duties.

Mr. Oswald Chevalier, accompanied by his daughter Muriel, and her husband, Roger Bougie from Whitecourt, left by plane recently for PEI to visit a son, Richard, who is a member of the RCAF stationed there.

Last week Mrs. Roxanne Voyer visited with her sister, Mill Solange Rodberger, Miss Solange Rodberg in Edmonton.

Mrs. Jeanne Houle and family had the pleasure of having a visit from her son, Daniel from the east.

On August 23, 37 members of the Morinville Senior Citizens Rendez-Vous Club, travelled to Fort Saskatchewan, for a leisurely lunch hour in the park, followed by a few hands of cards. Then for a visit to the Pioneer Lodge where cards and shuffleboard games were enjoyed by all. At 2:30 a conducted tour of the Mint and CIL plants pre-arranged by STEP representatives. Miss M. Chamberland and Laurent Coulombe who were in charge of the day's program. According to Mrs. Louise Billo, chairman of the group a beautiful day was enjoyed by all.

Mr. and Mrs. Romeo Fronent, accompanied by Mr. and Mrs. Paul Froment and family, travelled to Nordegg district last weekend to pick huckleberries.

Mr. and Mrs. Arnold Himschoot of Smoky Lake have taken up residence in the basement suite at the Real Cormier residence.

Recently Mr. and Mrs. Augustin Billo enjoyed a visit from a niece and her husband, Mr. and Mrs. Harvey Junks from Stratford, Oklahoma, and also another niece Mrs. Eugenie Butler, Water Valley, Alberta.

Last week the Morinville Fire Brigade were called to the Bob Robertson home near Carbondale, where the rural family home was badly damaged by water, but the building was saved from the fire discovered in the middle of the night.

Mrs. Paul Vervynck is a patient in hospital. Grandmother Jeanne Vervynck is hosting the grandsons at her home.

Notre Dame School may have a ghost who likes to ring old convent bells, late in the evening. Last week the bell rang at 11:15 p.m., again at 11:30 and to make the night complete, it rang again at 12:15 a.m. It may well be a well known Morinville gremlin or Leprechaun with too much unspent energy, before the end of the summer holidays.

Speaking of unnecessary noises, Morinville residents certainly had more than their share last Friday evening beginning around 8 p.m. Some irresponsible drivers gave a great display of tire-burning abilities on the black top beside the recreation centre. They then used old No. 2 highway as a drag track and after the teen dance, the races kept on in various parts of town until after day break. Saturday evening the night prowlers and noisemakers were again out in full force. There was apparently no local check-up to put an end to this community bad habit which began long ago.

Last minute reminder that next Monday, September 4 is a Dominion holiday in Canada. No school, all banks post offices, and other business places will be closed for Labour Day celebrations I bet you all that it will rain, just to make it more pleasant for the long weekend.

Harvest operations are in full swing, in all parts of the MD. Combining of rape and early barley have been reported in Bon Accord, Gibbons, Legal and Morinville. Yields where there was no hail damage are reported very good. Swathing is in general, reported as heavy straw and good heads on barley crops.

Amendments to The Workmen's Compensation Act, effective May 1, 1972, now provide

Increased benefits
for injured workmen

1. TOTAL DISABILITY

(a) Maximum full compensation for injured workmen who have annual earnings of not less than $7,600, is now $15.62 per day or $109.34 per week. The previous maximum compensation payable was $13.56 per day or $94.92 per week.

Workmen earning less than $7,600 per year will be paid on the basis of their earnings at the time of the accident.

A workman employed in an industry under the Act is entitled to compensation for personal injury as the result of an accident arising out of and in the course of his employment. Compensation is based on 75% of his average weekly earnings (up to maximum annual earnings of $7,600) at the time of the accident.

(b) Permanent disability pensions will be paid on the same basis as set out in paragraph (a) above, according to the medical assessment of the degree of disability.

(c) Minimum compensation payable for temporary total disability has been raised from $40.00 to $50.00 per week. Those whose average earnings are less than $50.00 per week will receive the full amount of their earnings while they are totally disabled.

CLAIMS RESULTING FROM ACCIDENTS WHICH OCCURRED PRIOR TO MAY 1, 1972, ARE NOT AFFECTED BY THE ABOVE INCREASES

2. MINIMUM PENSION

Effective May 1, 1972, all pensions for permanent total disability, regardless of date of accident, are to be not less than $225.00 per month and a proportionate amount in the case of permanent partial disability assessed at more than 15%. The previous minimum pension for total disability was $175.00 per month.

3. COVERAGE EXTENDED

The prohibition against payment of compensation to a person committed to jail is removed and compensation is now payable to persons confined in a jail or institution who suffer accidents at work or work training projects inside or outside the place of confinement.

THE
Workmen's Compensation Board
ALBERTA

Sturgeon Valley Community League building bee took time off Saturday for The Gazette photographer. The 26 ft. by 40 ft. community centre was started Friday night when concrete footings were poured. The building bee completed this building by Sunday evening. The executive includes: Don Wiens, president; Tom Lauder, first vice-president; Gerry Borden, second vice-president; Kay Larson, secretary; Doug Low, treasurer; Stan Kuzak, publicity; Zane Zabelski, building chairman and Andy Olson, ways and means chairman.

While the men of the Sturgeon Valley Community League were bustly building the community hall, the junior section of the league wasn't idle. Above we see three junior league members selling garden-fresh fruit and vegetables to raise funds for league projects. Left to right: Mrs. Ruth Horne buying a good supply of vegetables for the weekend from Michelle Gaudin, Sturgeon Crescent, who is treasurer of the junior league. Also behind the counter is Cindy Higberg, Sturgeon Crescent and Rose-Anne Diprose, North Point and secretary of the juniors. Far right is another customer, Mrs. Suzanne Toal of RR2 who was just completing the purchase of fresh beans, carrots, rhubarb and raspberries.

Sturgeon Valley 'Bee' Builds League Centre

Last February, residents of Viscount Estates, Sturgeon Heights, Sturgeon Crest, North Point and Sky Glen gathered at the home of Andy Olson to investigate the possibilities of forming a community league. It was felt at that time that residents of these five subdivisions, located east of St. Albert should get together and discuss plans for future sporting, recreational and social activities.

Of the dozen or so who attended the first meeting, all agreed that a community league would be the element needed to provide these facilities for the residents of the area. An organizational meeting was called at which an executive was elected. The following month, the Sturgeon Valley Community was in fact registered and awarded a charter.

Since that date, the fledgling community league has been forging ahead, raising funds, soliciting for donations and last weekend the Sturgeon Valley Community League started building its community hall and skating shelter. By the time this story appears in print, League President Don Wiens and the membership of about 36 families will have brand spanking new quarters all set for occupancy.

Built on parkland, designated by the developer and located almost at deadcentre of the five subdivision area, the new Sturgeon Valley Community League building measures 26 feet by 40 feet. It will house a community meeting area, plus a section where skaters will dress and be afforded facilities out of the cold. The building also includes washrooms and a heating system. "The building will be complete," said Mr. Wiens, "excepting for interior finish."

He explained that this is a complete community undertaking. Amongst the members, there's almost every trade represented and because of this, everyone has come up with his donation of material and expertise to make this project a very successful one.

"Even the junior section of the league have contributed to this project," Mr. Wiens said, "take today for example, our young people are out there along Sturgeon Road, selling fresh fruit and vegetables at the kioske located near the Olson farm."

In an interview later, The Gazette was informed by three vibrant young ladies who were manning the fruit and vegetable stand that business was good and, "we've already sold about $25 worth so far today," said Michelle Gaudin, junior league treasurer whose home is located in Sturgeon Crescent.

While the men were busy putting up the community centre and the girls of the community were raising funds through the sale of garden-fresh vegetables and fruit, the mothers were by no means idle. A group of them were preparing lunch and refreshments for the 'building bee' while another group was making plans for a dance and bake sale to be held soon. The dance will be held in the St. Albert Community Hall, October 28 where the 'Three Sharps' will provide the music. The date for the bake sale, to be held at Northgate, has not been announced yet but according to Mrs. Olson, it probably will be held sometime in October also.

At an informal news conference held Saturday afternoon when the 'building bee' voted itself a 'coffee' break, plans for the future were discussed. It was revealed that once the community centre is ready for occupancy, next project will be the construction of a skating rink. Don Wiens, league president said the Municipal District of Sturgeon has generously agreed to level the skating area with one of their earth movers and at the same time we'll have them level-off a ball diamond.

The 'building bee' unanimously agreed that everything will be ready for the coming winter season, even light standards to illuminate the entire area.

Building chairman Zane Zabelski, a professional framer asked The Gazette to pass the word around that the Sturgeon Valley Community League needs an underground water tank and sewage holding tank, "at a good price."

On that note, everybody went back to work . . . there were 12 men, seven teens and four youngsters and all of them had a lot of work to do. Saturday was drawing to a close and the building was about half-way completed. Another fresh crew of volunteers would complete the project the following day, right up to the shingling of the roof, hanging of doors and windows.

Legal man joins RCMP Force

After having completed six months of RCMP training, Laurier Brisson, son of Mr. and Mrs. Pierre Brisson of Legal, graduated in Regina, Saskatchewan on August 14th, 1972.

On August 13 a mass ceremony was given in honor of Troop 23, the graduating RCMP's. On August 14 the graduation exercises were held at the RCMP barracks. The program in the morning consisted of swimming, physical training and self-defence. A noon parade was followed by a drill and valedictory address. All these exercises were performed by the RCMP graduates for their many friends and relatives attending the graduation. It is incredible to see the effort the recruits put forth to make their graduation day a successful one.

LAURIER BRISSON

Other afternoon events consisted of the presentation of RCMP identification badges, a graduation banquet and dance.

The community extends best wishes to Laurier Brisson who is now posted in Prince George, B.C.

LEGAL LOCALS

By Lucienne Montpetit

The elevator agents are extending their services to the farmers in the Legal area. There will always be an elevator open on weekends for testing.

Moisture tests will be handled by the following elevators:

National - Sept. 2, 3, 4.
UGG - Sept. 9 - 10.
Pool - Sept. 16 - 17.
Searle - Sept. 23 - 24.
UGG #2 - Sept. 30 and October 1st.

All those interested in sending their children to playschool should contact Mrs. Germaine Nault, 598-3970. Children must be of school age the following year

Mr. and Mrs. Pierre Brisson along with some 30 friends and relatives travelled to Regina to attend Laurier Brisson's graduation as an RCMP. Adding to the beautiful ceremonies and the joy of seeing Laurier receive his RCMP identification badge, everyone was happy to see that Laurier chose this special day to announce his engagement to Corinne Bergevin, daughter of Mr. and mrs. Lucien Bergevin all from Legal. Congratulations to you both!

Nicole Cyr will be giving piano lessons in Legal on Friday and Saturday. Anyone interested in sending their children should contact Nicole as soon as possible by phoning 598-2386.

Mr. and Mrs. Bert St. Jean and family from Seattle are visiting with relatives and friends in the district. They were happy to attend their niece's wedding and meet with many of their old acquaintances.

Lucien Larose is enjoying a holiday in Victoria with some friends.

Jocelyne de Champlain from Edmonton was the guest of honor at a miscellaneous shower held at her aunt's residence, Mrs. Yolande St. Onge last Wednesday. Jocelyne, a former resident from Legal will be wed in Legal's St. Emile Church on September 9th. Jocelyn will exchange marriage vows with Jim Zdril.

A number of friends and relatives surprised Mr. and Mrs. Paul Montpetit with a housewarming party in their new home recently.

Holidays are almost over, most of the students are anticipating the return to classes on September 5th. Buses will collect the pupils at the usual time in the morning and they will be dismissed at 11:45 on Sept. 5th and the buses will run at that time. The afternoon will be non-instructional half-day devoted to organization and only teachers will attend.

Some 40 persons took advantage of the arts and crafts that were taught last week at the Rec. Centre. Everyone enjoyed it and learned a great deal, but really there was too much to learn and too little time to learn it.

We're hoping to have the opportunity to take more of these crafts in the future. A special thank you is extended to the instructors Mrs. Carol Brown and Miss Ann Arlow.

VIMY

By Jeanne Laplante

Miss Clemence Provencal attended the Co-operative Youth Seminar held at Goldeye Lake Centre under the sponsorship of the Picardville Unifarm.

We wish to welcome Mr. and mrs. Frank Sololowski and sons Bob, Doug and David who have moved in the area.

Speedy recovery wishes extended to Robert Huot who is presently hospitalized at the Immaculata.

Mr. and Mrs. Jack Burns motored to Moose Jaw, Sask. to attend the funeral of Mr. Burns' brother Walter. Sincere sympathies.

Visiting friends and relatives in the past weekend were Mr. and Mrs. Del Ranks and family from Calgary.

Holidaying in Jasper last week were Mr. and Mrs. Jos Bilodeau and family.

The Huot families were happy to visit with relatives from Cold Brook New Hampshire and Greenway, Wisconsin. These included Sisters Emelda and Anette Levasseur and also Sister Gabrielle Riopel.

Mrs. Therese Caouette from Oregon was a guest at the home of Mr. and Mrs. Claude Huot.

Visitors in the Dusseault families were Mr. and Mrs. Leo Toupin from Jefferson, Indiana.

Mr. and Mrs. Emile Bernard, Roger and Monica holidayed around Jasper and into B.C. Upon their return they went to Slave Lake to visit Mr. and Mrs. Ben Gagne and Marcel Bernard.

Visitors at the Emile Bernard residence last weekend were Mr. and Mrs. Carl Birks and four daughters from Jasper. Also visiting were Mrs. Marie Hallet and daughter Mrs. Elaine Harvey and her four children from Red Deer and Mrs. Rudy Hallet from Edmonton.

BON ACCORD ACTIVITIES

By Sadie Allen

Mr. and Mrs. Walter Strawson of Victoria, B.C., former residents of the Bon Accord district, are celebrating their Diamond Anniversary on September 24, 1972. Open house will be held for this occasion at the Silver Threads Hall in Esquimalt, B.C., from 1:30 to 4:30 p.m. Mr. Strawson came to Canada from England in 1912, and Mrs. Strawson, then Edith Coates came in September. They were married that month in Christ Church Cathedral, Edmonton. They settled on the quarter of land on which Bon Accord now stands. Later, they sold that property and bought the land farmed by their sons Irwin and Arthur. Mr. Strawson served in the armed forces from 1916 to 1919. They moved back to Bon Accord where they remained until moving to Victoria in 1949.

MR. & MRS. W. STRAWSON

A congratulatory telegram is being sent to the Strawsons on September 24. Anyone wishing their name added to this telegram, please contact Mae Strawson, 298-2244 (evenings), Jennie Malanchen 298-3556 or Sadie Allen 298-3541 by September 20. Charge per name is 25 cents.

Mrs. Brenda Barrett and daughter Jennifer of London, England were weekend guests of Mr. and Mrs. Irwin and Mr. and Mrs. Arthur Strawson. Mrs. Barrett is a cousin of the Strawsons. She and Jennifer are holidaying across Canada and the U.S.A. family picnic was held at Laurier Park on Sunday. The Barretts continued on to Vancouver and Victoria on Monday.

Registration of guides and brownies will take place on Sept. 11 at 7:30 p.m. in the community centre. All mothers are urged to attend. Please notify any new residents who may not be getting the Gazette.

Senior citizens enjoyed an evening out on Thursday, August 24. Our thanks to Marjolaine Chamberland and Laurent Coulombe who prepared the supper and arranged the outing.

Baseball and softball wind-up night was held on Sunday, August 27. Crests will be presented to all ball players. A bountiful pot luck supper was enjoyed by all.

PIANO LESSONS

will be taught in Legal Friday and Saturday, starting SEPTEMBER 9.
